William Valentine

WINNER: Anna Shott

Showstopper Award Nominees

Maggie Fogarty
Scotty McGrath
Park City Icing Synchronized Skating Teams
Wynter Probert
Zane Severson

WINNER: Wynter Probert

Spirit of Service Award Winners:

Bob Wheaton is a founder of the YSA and a long-time supporter of its programming. Through Deer Valley Resort, he has provided consistent support of JANS Winter Welcome, playing host to the event for many years. The launch of the \$2 million dollar Stein Eriksen YSA Opportunity Endowment was held at Silver Lake Lodge at his behest and he has provided annual opportunities for YSA to host its supporters for First Tracks events. More recently, he opened the doors of the resort to Park City School District elementary school students participating in YSA's Get Out & Play program. Local students are getting a chance to make their own first tracks on some of the best groomed corduroy in the world.

Kerry Morgan started out as a parent volunteer for the Park City Mountain Resort after school ski program and went on to lead a multi-sport, multi-venue program allowing kids to experience sports as diverse as snowboarding, ski jumping and mountain biking. During her tenure as Get Out & Play Director she instituted the YSA core values 'SPORT' program as part of the weekly Get Out & Play Program. Scholarship opportunities for area youth in need grew exponentially under her leadership. Her legacy is for finding a true home for this unique program while providing a positive structured environment in which local children can learn about commitment, respect and hard work.
