

## ENDOWMENT DONORS TO BE RECOGNIZED WITH PERMANENT INSTALLATIONS AT WINTER SPORTS VENUES

This fall, boulders with gold, silver and bronze-toned plaques and etched glass wall installations with skis will appear at many Park City winter sports venues. Stein Eriksen YSA Opportunity Endowment donors at the bronze level and above will be recognized on these displays. Look for them at Deer Valley Resort, Stein Eriksen Lodge, Park City Mountain, White Pine Touring/Hotel Park City, Park City Ice Arena and possibly additional locations.

## SCHOLARSHIP RECIPIENT ATHLETE UPDATES

▲ **Valerie Festavan** competed on the Park City Ski Team for many years and has been recognized as a top athlete nationally for her age. She placed 2nd at U-16 Nationals in skills evaluation. Last year, she finished 4th in Slalom, 6th in Giant Slalom and 7th in Super-G at the Western Regional Championships.

## RECORD NUMBER OF SCHOLARSHIPS AWARDED

A record number of scholarships were awarded to competitive athletes and Get Out & Play participants this past year. YSA awarded \$43,000 in training scholarships to 65 athletes in financial need competing for affiliated teams. These scholarships cover training costs, program fees, competition entry fees, travel expenses and equipment. Additionally, 179 scholarships were awarded this year to economically disadvantaged elementary school students to participate in YSA's Get Out & Play program. The total value of the Get Out & Play scholarships equal more than \$35,000 including in-kind donations from community partners.

This year, Get Out & Play is moving to middle school. The new program, dubbed ACTIV8, should provide opportunities for an additional 50 introductory scholarships/fee waivers to 6th and 7th graders.

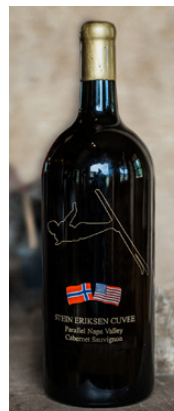

▲ **Ashley Farquharson** has been sliding for six years with Wasatch Luge and is currently on the United States Junior National Luge Team. This past year she finished 10th on the Youth World Cup Circuit, competed in the Youth Olympic Games in Norway and finished 3rd in the Norton Junior National Championships. In 2015, Ashley was the Norton Youth National Champion.

In the last four years, YSA grew its support of scholarship applicants by 90%.

## SECOND EDITION OF STEIN ERIKSEN CUVÉE AVAILABLE FROM PARALLEL NAPA VALLEY

Parallel Napa Valley is a key partner in this effort to fund the endowment. Last year their offering of 20 three-liter etched and hand-painted double magnums of 2011 Cabernet Sauvignon sold out, with each bringing in at least a \$10,000 donation to the Stein Eriksen YSA Opportunity Endowment. Currently available is a new bottling of 2012 Cabernet Sauvignon in second edition bottles memorializing Stein Eriksen. These will also be offered for \$10,000 each with proceeds going toward the endowment.

▲ **Dakota Connole** is a slopestyle skier competing for Team Park City United. He lives with a host family in Park City so he can train on the water ramps in the summer and train and compete during the winter. He competed this past year in the Aspen Open and multiple Nor Am Cups.
